

CITY OF MORGANTON
NORTH CAROLINA

TO: ALL PROSPECTIVE BIDDERS
FROM: Mario Sclarandis P.E., City Engineer
SUBJECT: Request for Qualifications for N Green St. Streetscape Project
DATE: 10/13/2023

Please review the following answers to RFQ questions received by 10/12/2023:

1. Is the City handling all of the electrical work? [Once an Engineering Firm has been selected for the project, we can work together to refine how different phases of the electrical work will be completed.](#)
2. Will we need to provide any electrical design other than coordinating with your electrical department? [No.](#)
3. Would the Client accept emailed submissions in lieu of printed copies? [No, but an email submission would be accepted as long as the printed copies are mailed or delivered to the City, with a postmark date of October 26, 2023. Any email submissions shall be submitted to City Engineer, Mario Sclarandis P.E. at \[msclarandis@morgantonnc.gov\]\(mailto:msclarandis@morgantonnc.gov\) firms will be responsible to confirm that City Engineer has received the submittal.](#)
